

Coronavirus (Covid-19) Requirements and Procedures for St. Bernard Church as of November 25, 2020

At St. Bernard, we are following the Diocesan Coronavirus Phase D directives. Click on the Diocesan Coronavirus Information link on our home page for more information.

For those who want to be extra careful we have a special overflow section where masks are required. Also, at the 5:30 pm Saturday mass we require everyone to wear masks.

If you are wondering:

-No reservations are required to attend mass at St. Bernard

-We have no missalettes or hymnals available because congregational singing is discouraged.
